EAST HILL ATHLETICS

Students and Parents/Guardians:

I am excited that your student is considering participating in the athletic program at EHCS. The goal of the Athletic Department is to provide our student athletes with the best environment so that their sport experiences may be as rewarding as possible. Please read this letter and the next pages carefully. It will help to inform students, parents/guardians of the procedures and steps necessary to participate in extracurricular activities.

Insurance

Students who participate in extracurricular activities at EHCS are required to have insurance that covers them for injuries. We are required to notify student and parents that anyone who participates in activities/sports does expose himself/herself to the risk of serious injury, including but not limited to sprains, fractures, brain damage, paralysis or even death.

Physical Examinations

In order to participate in EHCS Athletics, an annual physical examination is required. **Please note:** This form must be completed and returned before any candidate for a team may participate in any practice.

Athletic Handbook

The **Athletic Handbook** is available online, at our website under the Athletics tab at www.ehcs.org. The handbook contains the rules and regulations for participation in extracurricular activities at EHCS. After reading the handbook, parents and students must sign the **Athletic Handbook Agreement Form**.

Gate and Concession Duty

Parents of student athletes will be asked to help work the **entrance gate** and the **concession stand** at our home athletic events. These events help to support the athletic program and parent participation is an essential element of making this successful!

Athletic Awards Ceremony

An awards ceremony is held at the conclusion of each sport season (fall, winter, and spring). This is a ceremony to recognize and honor those student-athletes who have participated in one of the various teams for that season. Students will be recognized for team participation, individual accomplishments and/or high academic achievement while participating.

We hope that this information has been helpful. If you have any questions, please feel free to contact the Athletic Director at athletics@ehcseagles.com.

All for Him,

Glenn A. Dickson
Headmaster
