BRIGHT FUTURES COMMUNITY SERVICE LOG

For your volunteer service to count, you must be able to honestly answer "No" to the following questions:

- 1) Is the activity family related?
- 2) Will you be compensated either financially or with some other material benefit?
- 3) Is the activity mandated by the court/legal system?
- 4) Is the activity required for one of your classes, club membership, performance or team sport?
- 5) Are you receiving academic credit for this service activity?
- 6) Are you donating items or giving blood?

Keep copies of all documentation for your records.

Date	Number of Hours Worked	Task performed	Agency, School or Organization	Title and phone number of supervisor

I understand that this proposal to participate in community service is entirely voluntary on my part and that the completion of documented community service related to this proposal can be used to satisfy the community service requirement of the Florida Academic Scholarship, Florida Medallion Scholarship, Gold Seal Vocational Scholars Award and Gold Seal CAPE award. Selection of the organization, services performed and documentation are the responsibility of the student. All community service hour documentation MUST be submitted by the school's graduation date. Any community service hours submitted after the graduation date even if earned prior to graduation will not be accepted. **A parent or guardian cannot represent as a service agency.**

I verify that this log is a true and accurate record of my unpaid volunteer service work hours.
