

EAST HILL

CHRISTIAN SCHOOL

Job Description: Middle/High School STEM Teacher and E-Sports Coach

General Description

East Hill Christian School is a not-for-profit, private, and accredited Christian school dedicated to providing quality education to students in the historic East Hill community of Pensacola, Florida. Rooted in Christian values, EHCS is committed to academic excellence, fostering spiritual growth, and preparing students for a dynamic future. As the STEM Teacher and E-Sports Coach at EHCS, you will play a pivotal role in expanding the school's curriculum to incorporate cutting-edge technology in alignment with Christian values. With EHCS experiencing significant growth, this position represents an exciting opportunity to contribute to the evolving educational landscape. The STEM Teacher and E-Sports Coach will guide students in exploring the realms of science, technology, engineering, and mathematics (STEM) while also nurturing their skills and passion for e-sports.

Job summary

The STEM Teacher and E-Sports Coach will play a pivotal role in shaping the technological and gaming education at East Hill Christian School. This dual role involves teaching technology courses, fostering innovation, and leading the school's e-sports program. The successful candidate will have a passion for technology, expertise in teaching, and a commitment to integrating Christian values into both the classroom and the gaming arena. The STEM teacher and E-Sports Coach reports to the middle/high school principal.

Type of Position

12-month exempt employee with salary

Required Spiritual Qualities

- Acknowledge Christ as Savior and seek to live life as His disciple

- Believe the Bible to be the inspired, the only infallible, authoritative, inerrant Word of God—our standard for faith and practice
- Believe and actively support the school's statement of faith
- Demonstrate a desire for spiritual growth as evidenced by his or her prayer life, Bible study, and spiritual outreach to others
- Be a Christian role model in attitude, speech, and actions toward others (Luke 6:40) This includes being committed to God's biblical standards for sexual conduct
- Evidence the fruit of the Spirit in dealing with people
- Share the Christian faith with others
- Have a Christ-centered home
- Actively participate in a local Bible-believing church

Required Professional Qualities

- A minimum of an earned bachelor degree in education, technology, or a related field.
- Proficiency in gaming and experience in coaching or participating in e-sports.
- Be certified or able to be certified through ACSI
- Exhibit a strong faith and exemplary lifestyle
- Ability to oversee and manage a growing program
- Must be able to establish and maintain effective professional relationships
- Have strong written and verbal communication skills
- Must be able to accept direction and professional development
- Must be able to exercise good judgment
- Must submit to a background check

Essential Job Functions

- Design and implement a dynamic technology curriculum that aligns with academic standards and Christian values.
- Incorporate innovative teaching methods to encourage students to explore and apply technology in real-world contexts.
- Deliver engaging technology lessons to students in a manner that promotes critical thinking and problem-solving skills.
- Create a supportive learning environment that fosters creativity and curiosity.
- Collaborate with other educators to integrate technology across various subjects, fostering cross-disciplinary learning.
- Establish and lead the school's e-sports program, promoting sportsmanship, teamwork, and fair play.
- Develop strategies for the growth and success of the e-sports teams.
- Train and coach e-sports team members, providing guidance in gaming techniques, strategy, and teamwork.

- Foster a positive and inclusive team culture that aligns with Christian principles.
- Coordinate participation in e-sports competitions and leagues, ensuring a positive representation of the school.
- Manage logistics, schedules, and communication related to e-sports events.
- Work collaboratively with the secondary principal, other teachers, and staff to ensure a cohesive and integrated educational experience.
- Provide regular updates to the secondary principal on technology education and e-sports program activities, achievements, and challenges.
- Contribute to chapel and other spiritual development activities.
- Engage with parents, fostering open communication regarding students' progress and upcoming events.
- Actively participate in school-wide events, contributing to the sense of community at EHCS.
